

Corporate Event FAQs

Can we provide our own lunch?

Our team of expert Chefs provide a premium dining experience and endeavour to accommodate dietary requirements. As such, external catering is unfortunately not permitted.

Can we provide an external AV supplier?

Of course! You are welcome to reference our Preferred Suppliers List or enquire with your preferred vendor to assist with your requirements. Please note, this will need to be confirmed with your friendly Event Sales Associate or Event Coordinator.

What is provided in the event space by Marnong Estate?

We provide tables, chairs, black linen, note pads, pens, mints and basic AV – all the essential items for your event. Please speak with your friendly Event Sales Associate or Event Coordinator to include items such as a lectern, stage and microphone, which are available at an additional cost.

Can we include a private Petting Zoo experience?

Do you offer non-corporate activities?

Whilst we are unfortunately unable to offer this, you are welcome to view our beautiful peacocks and camels. We encourage you to instead consider a friendly game of pickleball, playing with our giant lawn games or enjoying a wine tasting in our Cellar Door. These interactive experiences are the perfect addition to your day.

Can we include an external supplier for non-corporate activities?

Yes! You are welcome to reference our Preferred Suppliers List or enquire with your preferred vendor to assist with your requirements. Kindly confirm this with your friendly Event Sales Associate or Event Coordinator. Please note, an additional cost may be required to conduct the activities in another event space.
